

Wisconsin Valley Art Association

SPRING AWARDS BANQUET/ARTIST OF THE YEAR

This is a yearly event to honor the officers, chairmen, committees and one special member; the Artist of the Year. The officers and chairmen are recognized. The Artist of the Year receives a plaque and monies to purchase books for the Marathon County Public Library or the Center for the Visual Arts in their honor.

In addition, those persons attaining 25, 30, 40 & 50 years of continued membership are recognized and honored. These members receive a plaque acknowledging their years of continued membership and service to the organization.

Gifts are also distributed in a random fashion or a game format to the attendees. Gifts are purchased from Art in the Park exhibitors, purchased from local merchants, and/or donated from local merchants and WVAA members. A speaker or program may follow the meal.

The Spring Awards Banquet co-chairmen select the gifts; determine location, menu and program for the evening. They are also responsible the decorations, the gift certificates, service certificates and plaques.
