SUNSHINE COMMITTEE

The Sunshine Club includes members and/or immediate family members who are seriously ill, hospitalized or, in the event of death, will be sent flowers, plant, memorial, or card. An amount up to \$25 will sent when a member dies or is seriously ill. A card will be sent if a member's spouse, child, mother, father, or sibling dies. In special circumstance and with the current officers approval, certain exceptions and arrangements can extend beyond these limits.

Please notify the Sunshine Club Chairperson if you know of a member that should receive any of the above. The current sunshine Club representative is listed in the newsletter.
