Guidelines/helpful hints/ what's new this year:

- Size limit of 48" x 60" for hanging pieces. All pieces need to be exhibition-ready. (ex: no video, interactive pieces, etc.)
- Hanging pieces need to be framed and ready to hang at the time of submission.
- Pricing of your piece is up to you; however, it is requested that you price your work to promote sales (\$50-150 range).

What needs to be handed in with your artwork:

- Completed artwork submission form attached to each piece being donated.
- Completed artist agreement form.

Thank you for supporting student artists!
