WHAT'S NEW!

Dear Arts Enthusiast and Community Arts Supporter,

I hope this email finds you well. I'm reaching out to invite you to a conversation about the arts at UWSP at Wausau. The campus has been a historic hub of creative expression in the community, and we are eager to continue that tradition now that we are formally part of UWSP.

At this conversation, we are bringing together members of the local arts community with faculty from UWSP at Marshfield/Wausau and the Stevens Point campus for an interactive conversation. We are looking to listen to you to discover how we can continue to support our creative communities. Please see the enclosed invitation for additional details.

You can RSVP by calling our Solution Center at 715-261-6235 or simply reply to this email with your name and a "yes". Thank you for your participation, and please let me know if you have any questions.
