SEPTEMBER NEWSLETTER

Greetings to all our members. I hope this finds you well and continuing to keep on, keeping on with daily life in this strange time we are currently living in. Many blessings are sent your way! ~Shyanne

WVAA has been shut-in for a long while now. We need to gather and create something.

UPCOMING CLASS

Tuesday, September 15th, 2020, 10:00 a.m until 3:00 p.m. LeeAnn and Jan will be teaching a class at Wesley church community room. There is a large, close parking area. The room is large and well lighted, we can all sit more than 6 feet apart. Masks should be worn. The only exception to my knowledge is when you are eating or drinking. Yes, we will have coffee. You will need to bring your own lunch, however.

The class will cost \$25.00 per member, and \$35.00 for non-members. Payable at the class to Audrey, or one of us.

The class will be on Japanese mesa paper/watercolor paper, or on canvas. Mesa paper and glue will be furnished. We also have some ink pens if you need them. Jan will have some colored ink pen sets available for purchase \$20.00.

Materials you will need to bring.

gatorboard or foam core board (heavier foam.)
green or blue tape, I will have some to share.
watercolor paper (cheap stuff with mesa board or better grade if using alone)
canvas to be covered with paper no larger than 11x14.
watercolors and brushes, sketching pad and pencils,
reference materials, staple gun and hairdryer (sharing is quite probable)
paper towels, and water containers, plastic to protect the tables. Just the normal stuff you would take to a watercolor or painting class.

Questions: Jan Pflieger (jansriver@gmail.com, 715-675-7740) or LeeAnn Schulz (cheaphillwvaa@msn.com, 715-581-1484).

Pls, register with Audrey (awildone@charter.net, 715-432-5105) ASAP.

September WRAP 2020 Newsletter

Following much “question and answer” activity over the past few months, I have this to offer regarding the Wausau area WRAP Show. Note that the show will be a virtual show this year in line with safety concerns.

For those unable to enter on line, please send your entry information to me, via email or hardcopy, and I’ll get it on line for you. I will ask that no one waits until the due date, Sept. 16, to get this done, act ahead of time as this all takes effort, both here and the Madison WRAP organization. Promptness is necessary.

For those who cannot get their artwork images sent to me via email, if you can send a hard copy image to me, I’ll post on line. If you cannot obtain a good photo of your work please contact me regarding arranging a time when we can get necessary photos done. I will ask that no one waits until the due date, Sept. 16, to get this done, act ahead of time as this all takes effort, both for me and the Madison WRAP” organization. Promptness is necessary.

Summation of the Wausau area WRAP exhibit as stated on the WRAP website is repeated here. I’m providing this for reference purposes:

Birds in Art 2020 to Soar in September at Woodson Art Museum

Artwork from 114 artists from throughout the world will be included in the **45th annual "Birds in Art" exhibition**, opening Saturday, September 12, 2020, at the Leigh Yawkey Woodson Art Museum. This year, 510 artists submitted 830 artworks for consideration by the three-person jury.

The exhibition includes artwork by the Museum's 2020 Master Artist Timothy David Mayhew, 22 who were named **Master Artists** during previous "**Birds in Art**" exhibitions, and 91 artists whose work was selected by the jury. "Birds in Art," which presents original paintings, sculptures, and graphics created within the last three years by worldwide artists, once again celebrates avian marvels through fresh artistic interpretations.
